

internet/model/tcp
-veno.h

```
graph BT; A["internet/model/tcp<br/>-veno.cc"] --> B["internet/model/tcp<br/>-veno.h"]
```

The diagram consists of two rectangular boxes stacked vertically. The top box is shaded gray and contains the text 'internet/model/tcp' followed by '-veno.h' on a new line. The bottom box is white and contains the text 'internet/model/tcp' followed by '-veno.cc' on a new line. A solid blue arrow points upwards from the bottom box to the top box, indicating a dependency or relationship between the two files.
