

applications/model  
/udp-client.h

```
graph BT; A[applications/model/udp-client.cc] --> B[applications/model/udp-client.h]
```

The diagram consists of two rectangular boxes. The top box is light gray with a black border and contains the text 'applications/model' on the first line and '/udp-client.h' on the second line. The bottom box is white with a black border and contains the text 'applications/model' on the first line and '/udp-client.cc' on the second line. A blue arrow points vertically from the top edge of the bottom box to the bottom edge of the top box, indicating a dependency or relationship from the source file to the header file.
