

applications/model
/packet-sink.h

```
graph BT; A[applications/model /packet-sink.cc] --> B[applications/model /packet-sink.h]
```

The diagram consists of two rectangular boxes stacked vertically. The top box is shaded gray and contains the text 'applications/model' on the first line and '/packet-sink.h' on the second line. The bottom box is white and contains the text 'applications/model' on the first line and '/packet-sink.cc' on the second line. A blue arrow points from the top of the bottom box to the bottom of the top box, indicating a dependency or relationship between the two files.
