```

The diagram illustrates the dependencies of the header file `lte/model/lte-rlc-sequence-number.h`. It is represented by a grey rectangular box at the top. Three blue arrows originate from the bottom of this box and point to three separate white rectangular boxes below it. These boxes are labeled `limits`, `iostream`, and `stdint.h` from left to right, indicating that the top header file includes or depends on these three standard C++ headers.
