

internet/model/udp
-socket.h

```
graph BT; A["internet/model/udp -socket.cc"] --> B["internet/model/udp -socket.h"]
```

The diagram consists of two rectangular boxes. The top box is light gray with a black border and contains the text 'internet/model/udp' on the first line and '-socket.h' on the second line. The bottom box is white with a black border and contains the text 'internet/model/udp' on the first line and '-socket.cc' on the second line. A blue arrow points vertically from the top of the bottom box to the bottom of the top box, indicating a dependency or relationship between the two files.
