

core/model/rng-stream.h

```
graph TD; A[core/model/rng-stream.h] --> B[string]; A --> C[stdint.h];
```

The diagram illustrates a header file dependency. A central box at the top, labeled 'core/model/rng-stream.h', has two blue arrows pointing downwards to two separate boxes below it. The left box is labeled 'string' and the right box is labeled 'stdint.h'. This indicates that the 'core/model/rng-stream.h' file includes or depends on both 'string' and 'stdint.h'.

string

stdint.h
